August 2010 – December 2010**

**The mission of Nicoya & Friends is to continue to support the Center for sexually abused children and victims of human trafficking in Nicaragua**

The virgin will be with child and will give birth to a son, and they will call him Immanuel - which means, “God with us.” Matthew 1:21

It is that time of the year to celebrate the Birth of our Savior, Jesus Christ. We at Nicoya & Friends Christian Mission want to wish you and your families a Happy and Joyous Christmas. Please remember our victims in our shelter in Nicaragua during this wonderful time of the year and give the Gift of Support and Encouragement to our survivors of Human Trafficking.

Your gifts will support our newest resident from Nicaragua, Lara (not her real name). Lara is 10 years old. She was rescued her from her previous life of child pornography/human trafficking. Lara was part of a gang and was manipulated and forced to bring in other children into this pornography ring. Lara spent many nights in a park and eventually became homeless.

Recently, Nicoya & Friends received a donation of new beds for our girls, thanks once again to Free for Life Ministries. Free for Life Ministries is a non-profit organization based in Nashville, Tennessee. Please visit their website at [www.freeforlifeministries.org](http://www.freeforlifeministries.org).

One of our girls has recently graduated from 6<sup>th</sup> grade. She is very excited about this achievement. She wants to continue her education and begin Beauty School.

We would like to give thanks to all donors for your generous donations. At this time, we are struggling to have sufficient funds to cover the costs of food. We ask that you please donate whatever you can, whether it is \$5, \$10, \$25, or whatever you can. This money will help put food on the table for our girls in our shelter.

I am the founder of this mission but I need all of you to know that this is God's mission, which He chose me to run. I am honored to serve on this mission along with my board members here in Houston, Texas. We all work with one goal in mind and that is to be able to give each human trafficking victim we receive in our center a chance of a good Christian and productive life, with the help of The All Mighty, Our God.
